Clinical Educator

McLean Hospital, a national leader in psychiatric care, currently has an excellent opportunity for a Clinical Educator. You will work with groups of 7-8 children, aided by 2 Assistant Clinical Educators within a large psychoeducation program that is supervised by Senior Clinical Educators and Psychologists.

The individual we seek will have a Master's degree in Special Education and experience in clinical management and special education techniques with emotionally disturbed children and adolescents. Certification in special education preferred.

McLean offers an excellent salary and benefits program, as well as free parking.

Please send your resume to Sheila Whitehead, Human Resources, McLean Hospital, 115 Mill St., Belmont, MA 02178. An equal opportunity employer.
